In order the better to do this the proprietors have erect
a large brick Foundry in addition to their former premises.
This has been added to the site of the Trade a large

DEEY COMPOSITION

In regard to the character of the work got up by this "The Oldest Establishment in the State" the Proprietors refer to that in successful operation through the country as their chief recommendation, as it can speak for itself. All they can say is that they are both FRANK L. McNEAGHAN, and know how work should be done as well as the next man.

They continue to manufacture FLOUR and SAW MILL, PAPERING, and STEAM ENGINES, on the most approved plan.

They have always on hand a large stock of BRASS ORGANS, such as GUANO and CRIMSON GUNS, OIL ORNS and CUPS and MEDALS, WINES. Also TROTTER'S FINE, which is the best in the world.

They are also Agents for EASTMAN'S PATENT STEAM GUNS.

...and he will win the attention of all those who see
him brighten.

In conclusion, they write a pithy shape of the past
page of their old friends, and solicit a call from all those
wearing it. Some or flouting BNU Work, assuming there
is no connection between them, to render the Old Eagle worthy
the reputation it has already gained.

Their motto is, "BNU-OLDS!"
